

2017 Summer Junior Golf Academy

This series of clinics offers a great opportunity for boys and girls to gain knowledge of the game, improve their swing techniques and improve their golf skills, all the while having fun and making new friends. Thirty sessions are offered at various times and days for your convenience, and juniors may attend as many clinics as they wish.

Conducted by PGA Golf Professionals from the Meadow Links & Golf Academy Instruction staff, each clinic will last for one hour and will include practice range balls and properly sized junior clubs, if needed. The closely monitored student/instructor ratio guarantees personal attention to help each junior learn and improve.

Enrollment in the Academy is available to boys and girls, ages 9-17, who have completed Junior Golf I (or equivalent.)

Clinic Formats
